IS DAILY BIRTH CONTROL ONE TOO MANY THINGS TO REMEMBER?

You have an opportunity to participate in the NEW CHOICE STUDY to assess the safety and efficacy of a low-dose, once-weekly, investigational contraceptive patch.

- **For participating in this 12-month study, you'll receive:**
  - Study medication
  - Medical exams
  - Compensation for your time and travel expenses
- The NEW CHOICE STUDY involves 1,500 women across the US
- The hormones in this contraceptive patch are FDA-approved for use in birth control pills

Visit www.newchoicestudy.com to learn more and to see if you qualify to participate. You could become part of the study evaluating this option for women who are looking for birth control.
